MOVEMENT

This week we will practice underhand throwing! We will throw to targets, to different distances, to partners, and through hoops.

MUSIC

This week we will sing "We All Go Traveling By" (Barefoot Books) and learn motions to match the words!

BIBLE STORY & SONGS

This week we will learn about Abraham! This story will remind us that we can pray to God for anything and that he will answer our prayers at the right time. Afterwards we will learn the Bible verse "Ask and it will be given to you" (Matthew 7:7) and we will learn the song "Father Abraham."

LETTER CENTER

This week we will learn the letter T! We will search the classroom finding the letter T, write it in our letter journals, identify pictures that start with the T sound, and find a mystery T.

SMALL GROUP PROJECT

MONDAY:

Today we will have two mini math lessons!
Lesson 1: Birthday Cakes
We will practice counting by creating birthday cakes! We will add candles and count them and then cut them into the same number of pieces.

Lesson 2: Building Roads
We will build roads as a group to drive our cars on!

TUESDAY:

Today we will learn about helping! We will listen to the story of "The Little Red Hen" and afterwards we will help decorate (and eat!) cookies.

WEDNESDAY:

Today we will review the alphabet! We will read the book "Z is for Moose" (Kelly Bingham), sing along to the song "A is for Apple" (KidsTV123). Afterwards we will play "Letter BANG!," identifying letter names, hoping not to pick a "BANG!" stick.

THURSDAY:

Today we will create leaf prints! We will read the book "We're Going on a Leaf Hunt" (Steve Metzger) and afterward go on our own leaf hunt! Once we're back inside we'll paint the leaf and press it on our paper to create the print.

SMALL GROUP PROJECT, continued

FRIDAY:

Today we will test and build structures to keep our bears safe from the lava! We will build structures with cups, craft sticks, and index cards, testing to see how many bears we can keep safe. Afterwards we will dance to the song "The Floor is Lava" (Kiboomers).
